

SEVEN YEARS OF MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl." — Mrs. DEBRA BETHUNE, Sikeston, Mo.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound.

It is more widely and successfully used than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it?

Early Settlers of Orleans County.

(The following interesting note is contributed by a well known Massachusetts genealogist. See Monitor of July 5, 1911.)

Early Settlers of Brownington—Note on the Baxter Family.

Elihu Baxter was of Andover, Conn., the son of William Baxter, who perished in Cuba on a military expedition in 1762 and he in turn was the son of Simon Baxter, a pioneer settler of Lebanon and Hebron, Conn. Elihu Baxter married in Hanover, N. H., Tryphena Taylor, friend of his childhood, in Connecticut and in 1777, about the opening of the Revolutionary War, removed from Hanover to Norwich, Vermont, where his numerous family was raised. His son Elihu Baxter Jr. was a physician and settled in Gorham, Maine, where was born his son the Hon. James Phinney Baxter, Ex-Mayor of Portland, Maine and president of the Maine Historical Society and of the New England Historic Genealogical Society, Boston. Mr. Baxter presented a public library building to the city of Portland and recently purchased his birthplace in Gorham, and is erecting a public library building, which he has given to that town. Mr. Baxter several years ago retired from business, but his several sons carry on the corn canning business in many sections of the nation.

Who Can Answer?

Vermont Pioneers:

I am very desirous of getting information concerning my ancestors who came from Vermont. I ran across "The Monitor" while nursing Mrs. Ellen Hall, Newfield street and found in its columns the Vermont Pioneer page. Now if you could publish a request of knowledge of the following people I shall mention in any way find out for me I shall be very grateful. My grandfather on my mother's side was Timothy Burdick who was born at Underhill, Vt., Greensboro in 1844. He left Vermont for Illinois in 1868 located at Grande Tour, Ill., where he spent the remainder of his life. His mother died in Greensboro, Vt., in 1832. My great grandfather on my mother's side was Samuel Aiken born in Vermont March 29, 1792. Died in Hesper, Minn., Jan. 9, 1869. My great grandfather on my father's side was Elisha Luther born in Addison County, Vt. He married Cynthia Tower of Vermont. This is all I know of these people. Perhaps you can find out who Mrs. Burdick was who died in Greensboro in 1832. Any information you can give me will be most gratefully received. Thanking you in advance, I remain,

Very truly yours,

Elsie Alyce Luther.

Simplicity of Speech.

Whether or not the traveler is right who contends that 50 words are enough for a man's practical needs, his theory of an abridged vocabulary for everyday use is in line with the tendency of speech in this country. We are simplifying the language to the extent of preferring the simpler forms of expression, both in our writing and our speaking. It is purifying our speech and improving our diction. The master of simple English, who can write or speak in terms of the most commonplace language, is the most effective. Even eloquence may be well defined as simplicity.

A great New York minister has recently published a series of discourses in book form and one may read half way through the volume before he comes upon a word that is not common to the simplest speech. Yet the book in its diction is powerful. There is such a thing as working for the language, and such a thing as letting the language work for you. The master of English does the latter.

Honest Medicines versus Fakes.

President Taft's recent message suggesting an amendment to the Pure Food and Drug law in its relation to Prepared Medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley Kidney Pills, both of which are true medicines carefully compounded of ingredients whose medicinal qualities are recognized by the medical profession itself as the best known remedies for the diseases they are intended to counteract. For over three decades Foley's Honey and Tar Compound has been a standard remedy for coughs, colds and all cures of the throat, chest and lungs, for children and for grown persons and it retains today its pre-eminence above all other preparations of its kind. Foley Kidney Pills are equally effective and meritorious. F. D. Pierce

Stabbed in the Back

Has Any Barton Reader Ever Felt Those Sudden Twinges.

Have you ever had a "crick" in the back?

Does your back ache with a dull, heavy, draggy throb?

Is it hard to straighten up after stooping?

Hard to arise from a chair or turn in bed?

Is the urine dark colored? Passages irregular?

When your kidneys need attention, use a tested kidney remedy.

Use Doan's Kidney Pills—the remedy that has cured thousands.

Convincing proof of merit in Barton testimony.

A. V. Cloutier, Lake street, Barton, says: "I have tested Doan's Kidney Pills and know that they act just as represented. I was annoyed by lumbago and lameness in my back and could hardly straighten after stooping. The secretion from my kidneys were irregular in passage and there was sediment in them. The contents of two boxes of Doan's Kidney Pills brought me entire relief and I have had no trouble since."
